

The Texas Heritage Music FOUNDATION

The Texas Heritage Music Foundation was established in July 1987 to preserve and perpetuate the traditions of Texas music, to examine the background of Texas music, to trace influences and patterns in Texas music, to document the role Texas music has played in society, and to provide free educational programming to the Texas community.

Projects _____

Since its founding in 1987, the Texas Heritage Music Foundation has been committed to the belief that singing songs and telling stories make a difference in the world. THMF produces community education events and outreach programs each year to promote local heritage, history, education, and family values, in addition to working with youth at risk in summer arts programs. THMF also promotes the music community through its newly created Local Musicians Program.

- ★ Living History Day in September with a tribute to Jimmie Rodgers
- ★ Wayne Kennemer Scholarship Fund
- ★ Texas music oral history project (a collection of 300 interviews on tape with musicians and songwriters)
- ★ Texas music coffeehouse at Schreiner University/ six times per year
- ★ Educational outreach programs and multimedia presentations on all aspects of Texas music
