Texas Music Coffeehouse Series

Fall semester is coming to a close. Wednesday November 5, we hosted the final Coffeehouse event for the fall semester. It was a great success, and we appreciate all the participants. Walt Wilkins put on an incredible show enjoyed by all. Students presented their talent in Poetry, singing, various instruments and comedy thrown in here and there. Once again the students showed us what great talent we have available here. We look forward to seeing more from the students and community at the Spring Coffeehouse Series.

If you are interested in learning more about Walt Wilkins or any other featured performer, visit the Texas Heritage Music Foundation Website at <http://www.texasheritagemusic.org/>
